Education

Doctor of Philosophy

School of Information Studies, Charles Sturt University, Australia 2016

Thesis title: *Information in transition: Examining the information behaviour of academics as they transition into university careers*

Supervisors: Dr. Lisa M. Given (1st supervisor) & Dr. Annemaree Lloyd (2nd supervisor)

Master of Library and Information Studies

2008

School of Library and Information Studies, University of Alberta, Canada

Research project title: *The effect of misspellings on information retrieval in online public access catalogues*

Project supervisor: Dr. Lisa M. Given

Bachelor of Arts (First Class Honors, Co-operative Work Experience Program)

2005

Department of Psychology, University of Alberta, Canada

Thesis title: *Real world spelling tests*

Supervisor: Dr. Connie K. Varnhagen

Academic & Research Positions

School of Information Studies, McGill University

Assistant Professor (August 2019 – Current)

Department of Computer and Information Sciences, University of Strathclyde

Deputy Course Director, Information & Library Studies Programme (July 2017 – June 2019)

Lecturer in Information Science (August 2016 – July 2019)

Department of Library and Information Studies, University at Buffalo

Adjunct Instructor (August 2015 – December 2015)

School of Information Studies, Charles Sturt University
Research Assistant (July 2012 – December 2015)

Office of Interdisciplinary Studies, University of Alberta
Research Assistant (July 2012 – March 2014)

School of Library and Information Studies, University of Alberta
Research Assistant (September 2007 – August 2008)

Selected Professional Positions

Mount Royal University
Assistant Professor & Librarian (August 2009 – June 2012)

MacEwan University
Reference Librarian (August 2008 – May 2009)

Strathcona County Library
Weeding Assistant (May 2007 – August 2007)

Humanities and Social Sciences Library, University of Alberta
Reference Assistant (September 2006 – April 2007)

Grants

Social Sciences and Humanities Development Grants Program, McGill University 2023-2024

Project title: What is left unsaid: Ongoing tacit knowledge loss from the pandemic

Role: Primary Investigator

Funding: \$7,000 CAD

Insight Development Grant, Social Sciences and Humanities Research Council of Canada 2021-2025

Project title: Precarity and information marginalization: Exploring how academic casualization complicates workplace information practices

Role: Primary Investigator

Funding: \$66,661 CAD

Alliance Grant, Natural Sciences and Engineering Research Council of Canada	2021-2024
Project title: Defending our cyberspace: AI-powered search engine for cyber threat intelligence Role: Co-Investigator Funding: \$1,270,890 CAD	
Social Sciences and Humanities Development Grants Program, McGill University	2020-2021
Project title: Precarity and progression during a pandemic: Early career academics' experiences during COVID-19 Role: Primary Investigator Funding: \$5,000 CAD	
Alberta Rural Development Network, Government of Alberta	2012-2013
Project title: <i>Information Literacy Alberta Assessment Pilot Project</i> Project partners: University of Alberta Augustana Campus, MacEwan, University, and Red Deer College Role: Co-Investigator Funding: \$10,000 CAD	

Selected Scholarships, Funding, and Awards:

Competitive Research Scholarships

Social Sciences and Humanities Research Council Doctoral Fellowship, Government of Canada (\$20,000 CAD per year for 2 years)	2014-2016
Australian Postgraduate Award International Postgraduate Research Scholarship (APA IPRS), Charles Sturt University (\$24,673 AUD per year for 2.5 years and waived tuition)	2013-2016
Faculty of Education Scholarship, Charles Sturt University (\$23,728 AUD per year for 3 years and waived tuition)	2012-2015
Canada Graduate Scholarship – Master's, Social Sciences and Humanities Research Council, Government of Canada (\$17,500 CAD)	2007-2008
Walter H Johns Graduate Fellowship, University of Alberta (\$4949 CAD)	2007
Queen Elizabeth II Graduate Scholarship – Master's, Government of Alberta (\$7000 CAD)	2006

Selected Awards

Best Paper Reviewer Award, Association for Information Science and Technology	2023
SIG Publication of the Year for <i>JASIS&T Special Issue on Information Behavior & Information Practices Theory</i> , Association for Information Science and Technology	2022
3 rd Place, Best Poster Award, Association for Information Science and Technology	2022
Best Paper Reviewer Award, Association for Information Science and Technology	2022
Highly Commended Paper, <i>Journal of Documentation</i> Literati Award	2020
James M. Cretsos Leadership Award, Association for Information Science and Technology	2019
New Leaders Program, Association for Information Science and Technology (\$1000 USD)	2016-2018

Research – Publications

Books

Given, L. M., Case, D. O., & **Willson, R.** (2023). *Looking for Information: Examining research on how people engage with information* (5th ed.). Emerald.

Book Chapters (Refereed)

Willson, R. (2022). Identifying and leveraging collegial and institutional supports for impact. In W. Kelly (Ed.) *The impactful academic: Building a research career that makes a difference* (pp. 13-28). Bingley, UK: Emerald.

Given, L. M. & **Willson, R.** (2015). Collaboration, information seeking, and technology use: A critical examination of humanities scholars' research practices. In P. Hansen, C. Shah, & K. Claus-Peter (Eds.) *Collaborative information seeking: Best practices, new domains and new thoughts* (pp. 139-164). New York: Springer-Verlag.

Manuscripts Submitted

Willson, R., Stewart-Robertson, O.* , Julien, H., & Given, L. M. (2024). *Isolated, individualised, and immobilised: Information behaviour in the context of academic casualisation*. Manuscript submitted.

Woods-Gagnon, S.* & **Willson, R.** (2023). *A mix of emotions: The affective impact of advocacy and Canadian academic librarians*. Manuscript submitted.

Manuscripts in Preparation

Ferguson, R. D.*, **Willson, R.**, & Moffatt, K. (2024). *Coming-of-age through personal finance*. Manuscript in preparation.

Willson, R., Stewart-Robertson, O.* , Julien, H., & Given, L. M. (2024). *Academic casualization and precarity: A scoping review*. Manuscript in preparation.

Willson, R. & Slater, A. (2024). *"If I don't work on my project, nobody else does": Experience of researchers in the UK taking maternity, paternity, adoption, and/or parental leave*. Manuscript in preparation.

Willson, R. (2024). *Keeping contact and maintaining rapport: Using the "check-in" method to follow participants over time*. Manuscript in preparation.

Research – Presentations

Conference Presentations (Refereed)

Julien, H. **Willson, R.**, Ruthven, I., & Dalmer, N. (2020). Information behaviour and practice research for social impact. Panel presentation at the *Information Seeking in Context (ISIC2020)*. Pretoria, South Africa (Online).

Willson, R. (December 2018). Precarity, managerialism, and the shifting of academic work. Paper presented as part of the symposium “Academic Work Across the Career Stages: power and precarity at the ‘micro’ level in everyday academic life” at *the Society for Research in Higher Education - The Changing Shape of Higher Education: Can excellence and inclusion cohabit?* Newport, UK.

Willson, R. (October 2017). Information behaviour during transitions and liminal periods: Experiences of inclusion and exclusion. Paper presented at *2017 Association for Information Science and Technology SIG-USE Symposium – Framing Inclusion and Exclusion in Information Behavior Research and Practice*. Washington DC, USA.

Willson, R. (June 2017). Information in transition: The social flow of information. Paper presented at *Information: Interactions and Impact (i³) 2017*. Aberdeen, UK.

Willson, R. (July 2015). Open doors and hallway conversations: Physical proximity and informal social interactions in information gathering during a career transition. Paper presented at the *Research Applications in Information and Library Studies (RAILS11) – Expanding Horizons*. Sydney, Australia.

Given, L., Kelly, W., **Willson, R.**, & Deloire, A. (July 2015). *Expanding information horizons for impact: Exploring information behaviours in wine industry research*. Paper presented at the *Research Applications in Information and Library Studies (RAILS11) – Expanding Horizons*. Sydney, Australia.

Given, L. M. & **Willson, R.** (July 2015). Models For effective research engagement: LIS professionals and scholars working together for success. Paper presented at the *Eighth International Evidence Based Library and Information Practice Conference (EBLIP8) – Evidence and Practice: Working Together*. Brisbane, Australia.

- Willson, R.** (April 2015). The check-in method: Collecting salient experiences over longer periods of time. 14th *Qualitative Methods Conference - Qualitative Methods: Better Bounded or Boundless?* Melbourne, Australia.
- Willson, R.** (November 2014). Looking at what faculty don't: Using critical discourse analysis to examine university websites. Panel presentation at the 77th *Annual Meeting of the Association for Information Science and Technology – Connecting Collections, Cultures and Communities*. Seattle, USA.
- Willson, R.** (July 2014). "I always have the impression that I'm losing something": The information experiences of early career researchers as they transition in academe. Paper presented at the *Research Applications in Information and Library Studies (RAILS10) – Collaboration & Connection: Linking Research and Practice*. Canberra, Australia.
- Willson, R.** (June 2013). Using Transition Theory in information behaviour research: Addressing change in personal narratives. Paper presented at the *Canadian Association for Information Science – Tales from the Edge: Narrative Voices in Information Research and Practice*. Victoria, Canada.
- Rockwell, G., Sinclair, S., Simpson, J., **Willson, R.**, Chartier, R., Dyrbye, A., & Radzikowska, M. (June 2013). Just what do they do?: On the use of text analysis in the humanities. Panel presented at the *2013 Annual Meeting of the Canadian Society For Digital Humanities – @ the Edge*. Victoria, Canada.
- Edwards Thomson, M., Goebel, N., Knoch, J., & **Willson, R.** (May 2012). Aren't we all trying to do the same thing?: Four Alberta post-secondary institutions collaborating to create an information literacy assessment tool. Paper presented at *WILU (Workshop for Instruction in Library Use) – Vigour, Thrift & Resourcefulness*. Edmonton, Canada.
- Willson, R.** (October 2011). Learning to do library research: Scholarship of teaching and learning in one-shot information literacy sessions. Paper presented at the *International Society for the Scholarship of Teaching and Learning – Transforming the Academy through the Theory & Practice of SOTL*. Milwaukee, USA.
- Willson, R.** (June 2011). Independent searching during one-shot information literacy instruction sessions: Does it prepare students for research? Paper presented at *EBLIP6 (Evidence Based Library and Information Practice 6) – Valuing Knowledge and Expertise*. Manchester, UK.
- Willson, R.** (June 2011). A library is more than books: Direct instruction and support of scholarly student activities in psychology. Panel presented at the 72nd *Annual Canadian Psychological Association Convention*. Toronto, Canada.
- MacMillan, M., & **Willson, R.** (November 2010). Unconventional classrooms, unconventional methods: Conducting scholarship of teaching and learning research in places you don't expect. Paper presented at *2010 Centennial Symposium on Scholarship of Teaching and Learning*. Banff, Canada.

Julien, H., & **Willson, R.** (May 2009). Information literacy learning outcomes: Critical factors in the learning environment. Paper presented at the *Canadian Association for Information Science – Mapping the 21st Century Information Landscape: Borders, Bridges and Byways*. Ottawa, Canada.

Julien, H., & **Willson, R.** (May 2009). Assessing learning outcomes of information literacy instruction at Canadian business schools. Paper presented at *WILU (Workshop for Instruction in Library Use) – Reflections*. Montreal, Canada.

Poster Presentations (Refereed)

Willson, R. (October 2018). Information and uncertainty: Information activities of short-term teaching and research contract staff. Poster presented at *Information Seeking In Context 2018 (ISIC2018)*. Krakow, Poland.

Research/Professional Seminars & Presentations (Non-Refereed)

Stallworth, R. D., **Willson, R.**, Mahetaji, K., & Ekmekcioglu, C. (2023). Reshaping the narrative: First-generation scholars in information science [Panel]. Webinar for the *Association for Information Science and Technology*. Online. [Invited Panellist]

Willson, R. (November 2023). Information behaviour and uncertainty: The influence of living with uncertainty on everyday life. Talk for iSchool Research Group, Department of Computer & Information Sciences, University of Strathclyde. Glasgow, UK. [Invited Talk]

Willson, R. (November 2023). Preparing for what comes after the PhD. Talk at the Department of Computer & Information Sciences, University of Strathclyde. Glasgow, UK. [Invited Talk]

Willson, R. (June 2023). Information behaviour: Why it matters. Guest lecture in *INF2332 Information Behaviour*, University of Toronto. Online. [Invited Guest Lecture]

Willson, R. (May 2023). Academic transitions: Easing the pain by planning now. Keynote at the *Monash Graduate Transitions Career Symposium*, Monash University. Melbourne, Australia. [Invited Keynote]

Willson, R. (May 2023). Uncertainty and information behaviour: Examining how living with uncertainty influences information needs, seeking, and use. *TIGER Talk (information retrieval research group)*, RMIT University. Melbourne, Australia. [Invited Talk]

Willson, R. (May 2023). Creating a plan for social change. Workshop at the *2023 Social Change Symposium*, RMIT University. Melbourne, Australia. [Invited Talk]

- Willson, R.** (May 2023). Identifying and leveraging supports for social change. Keynote at the *2023 Social Change Symposium*, RMIT University. Melbourne, Australia. [Invited Keynote]
- Willson, R.** (May 2022). What are the core competencies of a professional (neuro)scientist? Talk at the *Symposium on Graduate Neuroscience Education in Canada, 15th Canadian Neuroscience Meeting*. Toronto, Canada. [Invited Talk]
- Ogryzko, N., Wissenburg, A., Thompson, J., **Willson, R.**, Sheehan, K., & Elali, L. (September 2021). Whose responsibility is precarity anyway? Panel at *Vitae Connections Week*. Online. [Invited talk]
- Heffernan, T., Kelly, W., & **Willson, R.** (2020, November). Missed Collegiality: Making space for community. Panel presentation at *#Whisperfest*. Online. [Invited talk]
- Willson, R.** (November 2020). Career transitions: Preparing for what comes next. Talk for the ASIS&T McGill Student Chapter, McGill University. Montreal, Canada (Online). [Invited talk]
- Willson, R.** (September 2020). The challenge of academic transitions: Making sense of new academic roles and preparing for what comes next. Talk for the Department of Information Science, University of Pretoria. Pretoria, South Africa (Online). [Invited talk]
- Willson, R.** (July 2020). Transitioning from doctoral student to academic researcher: Preparing for what comes next. Talk at the Department of Psychology Seminar, McGill University. Montreal, Canada. [Invited talk]
- Willson, R.** (February 2020). People are not frozen in time: Using Transitions Theory and liminality to examine the experiences of people undergoing change. Talk at the School of Information Studies Departmental Seminar, McGill University. Montreal, Canada. [Invited talk]
- Willson, R.** (October 2019). Difficult academic transitions: How early career and casual academics make sense of new jobs roles and contexts (and what can be done to help). Presentation to the Swinburne University of Technology. Melbourne, Australia. [Invited talk]
- Willson, R.** (October 2019). How can PhD researchers prepare for what comes next?: Understanding the doctoral transition. Presentation to La Trobe University. Melbourne, Australia. [Invited talk]
- Willson, R.** (May 2019). “A glimpse of the abyss on the other side”: Experiences of transitioning from PhD to early career and preparing for what comes next. Presentation to the University of Derby. Derby, UK. [Invited talk]

- Willson, R.** (September 2018). Transitions: How to support early career academics. Plenary presentation to *Vitae Researcher Development International Conference 2018*. Birmingham, UK. [Invited plenary]
- Willson, R.** (May 2018). Expectations and preparation: The transition from doctoral student to early career academic. Presentation to *Supporting resilience at different academic stages*, Vitae Regional Meeting of Scotland and Northern Ireland. Glasgow, UK. [Invited talk]
- Willson, R.** (April 2018). The experience of early career academics: The influence of governments, universities, and colleagues on academics' work – and what we can do. Presentation to *The Oxford Research Centre in the Humanities*, Oxford University. Oxford, UK. [Invited talk]
- Willson, R.** (January 2018). Expectations and affect in the transition from doctoral student to early career academic. Presentation to *Preparing Researchers for an Unknown Future: Cultures, Behaviours & Mindsets*, Vitae event. Birmingham, UK. [Invited talk]
- Willson, R.** (December 2017). What to expect when you're expecting to be an academic – and how to prepare yourself for life after the PhD. Presentation for the Higher Degree by Research students at the *Faculty of Health, Arts and Design*, Swinburne University. Melbourne, Australia. [Invited talk]
- Willson, R.** (December 2017). Figuring out transitions: Using Transitions Theory to examine sense making during times of change. Presentation for the *Faculty of Health, Arts and Design*, Swinburne University. Melbourne, Australia. [Invited talk]
- Willson, R.** (April 2017). Information in transition: Applying Transitions Theory to information behaviour research. Presentation for the *Department of Computer and Information Sciences*, Northumbria University. Newcastle, UK. [Invited talk]
- Willson, R.** (February 2017). The problem with working in the university is the university: "Systemic Managerial Constraints" and working in academe. Presentation at *Educational Futures and Fractures*. Glasgow, UK.
- Willson, R.** (November 2016). The problem with working in the university is the university: "Systemic Managerial Constraints" and working in academe. Presentation at the *Department of Computer & Information Sciences Departmental Seminar*, University of Strathclyde. Glasgow, UK. [Invited talk]
- Willson, R.** (October 2013). Focusing on experiences of change: Applying Transitions Theory to information behaviour research. Presentation at *the School of Information Studies Research Seminar Series*, Charles Sturt University. Wagga Wagga, Australia.
- Techentin, C., Evans, S. E., & **Willson, R.** (May 2012). Beyond the textbook: Skill building in our first-year courses. Presentation at the *Mount Royal Faculty Association Spring Retreat*. Kananaskis, Canada.

Willson, R., & Day, S. (November 2009). Copyright in Classrooms: Balancing the Rights of Users and Creators. Presentation at the *Grant MacEwan College Professional Development Day*. Edmonton, Canada.

Willson, R. (November 2008). The Effect of Misspellings on Information Retrieval on Online Public Access Catalogues. *Presentation to University of Alberta Libraries Staff*, University of Alberta. Edmonton, Canada.

Knoch, J., & **Willson, R.** (November 2008). Boolean and Beyond: Advanced Search Features for Information Retrieval. Presentation at the *Grant MacEwan College Professional Development Day*. Edmonton, Canada.

Willson, R. (February 2008). The Effect of Misspellings on Information Retrieval on Online Public Access Catalogues: A Pilot Study. Presentation at the *School of Library and Information Studies Professional Development Day*. Edmonton, Canada.

Willson, R. (August 2004). The Administration of Neuropsychological Tests to Older Adults with Mild to Moderate Cognitive Impairment Using Videoconferencing: Implications for Assessing Capacity for Independent Functioning. Presentation to *Alberta Hospital Ponoka Administration and Professional Staff*. Ponoka, Canada.

Goldberg, E., Gorrie, M., Schielke, J., & **Willson, R.** (June 2003). Illegal and immoral use of handicapped parking stalls. *Presentation to Alberta Advisory Committee on Barrier-Free Transportation*. Edmonton, Canada.

Community Engagement

Willson, R. (July 2018). Episode 122: Dr. Rebekah Willson on Grounded Theory [Podcast]. *Research In Action*. Oregon State University Ecampus.
<https://ecampus.oregonstate.edu/research/podcast/e122/>

Smith, L., **Willson, R.**, & Jardine, C. (August 2017). Sensible or censorship? Gatekeeping, filtering and access to information in libraries. Presentation at *The House That Heals the Soul exhibit at The Centre for Contemporary Art*. Glasgow, UK.

Smith, L., **Willson, R.**, & Jardine, C. (August 2017). Libraries for All? Libraries, social inequalities and activism in Scotland. Presentation at *The House That Heals the Soul exhibit at The Centre for Contemporary Art*. Glasgow, UK.

Willson, R. (May 2015). Inflammatory books: Book burning, censorship, and your right to smut. Presentation at *Nerd Nite Wagga*. Wagga Wagga, Australia.

Research – Supervision and Examination

PhD Supervision

Anne Le-Huu-Pineault, School of Information Studies, McGill University (September 2022 – Current)

Owen Stewart-Robertson – “Information from sound: Investigating the practices of field recording,” School of Information Studies, McGill University (September 2021 – Current)

Philips Ayeni – “Assessing open access scholarly communication practices of early- and mid-career researchers in Canada: A mixed-methods study,” School of Information Studies, McGill University (September 2020 – Completed September 2023)

PhD Committee Member

Richmond Yeboah – “The role of paying for access in the online information-seeking behaviour of Canadian midwives,” School of Information Studies, McGill University (February 2022 – Current)

Bradley Crocker – “Navigating health (mis)information: Assessing proficiency in online health information-seeking,” Department of Kinesiology and Physical Education, McGill University (July 2021 – Current)

Zoey Zhang – “How is health information used? Lessons from older adults with diabetes during the COVID-19 pandemic,” School of Information Studies, McGill University (December 2020 – Current)

Trudi Wright – “Examining the impacts of information culture on transitioning from paper to electronic records management environments,” School of Information Studies, McGill University (September 2020 – Current)

Jwen Fai Low – “Automated information warfare for and against saturation attacks,” School of Information Studies, McGill University (September 2019 – September 2023)

Robert Ferguson – “Exploring the personal financial information management of young adults,” School of Information Studies, McGill University (March 2020 – Completed September 2022)

Examiner for PhD Dissertation

Internal Examiner – “What does credibility feel like? The role of emotion in undergraduate students’ credibility judgments of online information,” Anna Couch, School of Information Studies, McGill University (Defence June 27, 2023)

Internal Examiner – “Enriching social sharing for the dementia community: Technological opportunities,” Carrie Dai, School of Information Studies, McGill University (Defence March 17, 2023)

Internal Examiner – “Factors and outcomes of collaborative information monitoring,” Vera Granikov, School of Information Studies, McGill University (Defence December 19, 2022)

Examiner – “Exploring mobile civic technologies in Brazil - A thematic analysis,” Daniele Menezes Nascimento, School of Information Studies, McGill University (Defence April 28, 2022)

Internal Examiner – “Crit: A mixed methods examination of epistemic cognition during source evaluations,” Courtney Denton Hurlbut, Department of Education and Counselling Psychology, McGill University (Defence March 12, 2021)

Internal Examiner – “Smartphone information behaviour: A study of the use of smartphones in searching and evaluating online information for everyday life and for academic purposes,” Cynthia Kumah, School of Information Studies, McGill University (Defence August 17, 2020)

Internal Examiner – “The panoptic principle, privacy and surveillance in the public library as evidenced in the acceptable use policy,” Elaine Robinson, Department of Computer & Information Science, University of Strathclyde (Viva March 8, 2019)

Internal Examiner – “Exploring the organisational, social and cultural factors influencing those employee attitudes and behaviours that impact the implementation of an information security culture within Omani organisations,” Fathiya Hamed Salim Al Izki, Department of Computer & Information Science, University of Strathclyde, (Viva July 9, 2019)

Master’s Research Projects Supervised – School of Information Studies, McGill University

Kat Hicks, “Exploring the music information practices of vocalists in post-secondary music programs,” (January 2023 – Current)

Camille Gronan, “The meaningful museum: Visitor encounters and the meaning making process of experience,” (Co-Supervising with Prof. Gracen Brilmyer, January 2022 – Current)

Alisa Rod, “A profile of data professionals in the Canadian academic library context,” (January 2022 - Completed December 2022)

Jessie Hill, “Hashtag hijack-tivism: Analyzing the information warfare tactics of grassroots political activists on Twitter,” (Co-Supervised with Prof. Benjamin Fung, January 2021 - Completed April 2022)

Master's Independent Studies Supervised – School of Information Studies, McGill University

Roberto Leclerc, "Critical information literacy for high school students: A toolkit," (January 2024 – Current)

Geneviève Gosselin, "Marketing and the Art of Promotion in Academic Libraries," (September 2023 – Current)

Sarah Wood-Gagnon, "Academic librarians and the affective impact of professional advocacy," (September 2022 - Completed April 2023)

Marilou Poliquin, "Collaborative collection development in the school library: A review of the literature," (July 2021 - Completed August 2021)

Michelle Mussuto, "Review of the U15 group of Canadian research universities' library websites' response to the COVID-19 pandemic," (September 2020 - Completed July 2021)

Allie Thiel, "Diversity in children's books: An introduction and practical guide for SAILS librarians in evaluating and auditing collections," (January 2021 - Completed April 2021)

Katherine Lewis, "Sustainable digital access models in Canada's public libraries," (Completed May 2020)

Leah Graham, "What's special about outreach in special collections?: Recognizing the activities that reach within academia and beyond," (January 2020 - Completed May 2020)

Michelle Mussuto, "Sustainability vernacular challenges researchers seeking to uncover public library contributions to mitigate climate change: A literature review," (January 2020 - Completed May 2020)

Shannon Viola, "Bibliotheca Dactylogrammatum: Understanding information behavior of classicists through an evaluation of Perseus Digital Library," (January 2020 - Completed April 2020)

Master's Research Projects Supervised – Department of Computer & Information Sciences, University of Strathclyde

Eric Milne, "A survey of dyslexic supportive provision in Scotland's public libraries," (January 2019 - Completed May 2019)

Rebecca Brown, "Mapping students' use of campus space: A case study of the Andersonian Library," (May 2018 - Completed August 2018)

Filippa Pirrip, "Contemporary design trends in academic libraries," (May 2018 - Completed August 2018)

Pierluigi Santojanni, "Information professional: Examining the information behaviour of early career librarians as they make a career," (May 2018 - Completed August 2018)

Kerry Wade, "Information literacy and information literacy instruction in international school secondary libraries: An exploratory study," (May 2018 - Completed August 2018)

Juan Talens-Bou, "Understanding the motivations and LIS practical experience of the next generation of LIS postgraduate students in the UK," (May 2018 - Completed August 2018)

Gary Egan, "How is information literacy instruction provided throughout tertiary education in Scotland?" (May 2018 - Completed August 2018)

Ailsa Black, "Creative writing and post project information literacy in amateur writers," (May 2018 - Completed August 2018)

Yinyin Xu, "Professional academic librarians' perception and involvement in continuing professional development: A survey in UK academic libraries," (May 2017 - Completed August 2017)

Katie Rowley, "Public libraries: Thoughts on deselection," (May 2017 - Completed August 2017)

Teaching Experience

School of Information Studies, McGill University

INFS 601 Foundation of Information Studies, School of Information Studies, McGill University (September 2019 – Current)

- Redeveloped and provided instruction for master's course to focus on professional values, focusing on current issues in the field and professional development and understanding

INFS 615 Reference & User Services, School of Information Studies, McGill University (January 2022 – Current)

- Redeveloped and provided instruction for master's course on reference services and collections development, including creating an online subject guide and collection development policy

INFS 611 Research Principles and Analysis, School of Information Studies, McGill University (January 2020 – April 2021)

- Redeveloped and provided instruction for master's course to scaffold students to conduct a mixed-methods research study from coming up with an idea to implementation and writing a final report

INFS 691 Special Topics: Academic Librarianship, School of Information Studies, McGill University (January 2024 – Current)

- Proposed and developed a course about academic librarianship and academic libraries, focusing on understanding user groups, planning outreach and services, and gaining experience with academic libraries through a series of guest speakers, a tour, and job shadowing

INFS 603, 604, 605 – Research Project 1, 2, and 3; School of Information Studies, McGill University (January 2020 – Current)

- Research project developed with individual students (15-credit total in 3 classes)

INFS 689 Selected Topics, School of Information Studies, McGill University (January 2020 – Current)

- Independent study developed with individual students (3-credit class)

INFS 688 Selected Topics, School of Information Studies, McGill University (September 2023 – Current)

- Independent study developed with individual students (6-credit class)

Department of Computer and Information Sciences, University of Strathclyde

CS 962 Information, Libraries and Society (February 2017 – March 2019)

- Redeveloped and provided instruction for a post-graduate class on information literacy, library sectors, and professional development

CS 954 Information Retrieval and Access (September 2016 – October 2019)

- Redeveloped and provided instruction for a post-graduate module on reference services

Department of Information Science, University at Buffalo

LIS 518 References Sources and Services (August 2015 – December 2015)

- Provided instruction of an online post-graduate course

Information Literacy Instruction

Mount Royal University (August 2009 – June 2012)

- Developed 22 information literacy instruction sessions

- Taught 162 sessions in many disciplines including Psychology, Philosophy, Religious Studies, and General Education (course evaluations for selected classes available on request)

MacEwan University (August 2008 – May 2009)

- Developed 8 information literacy instruction sessions
 - Taught 42 sessions in many disciplines including Anthropology, Early Childhood Education, Education, Information Management & Library Technology, and English
-

Disciplinary Service Activities

Canadian Association for Information Science (CAIS)

- Member at Large (June 2023 – Current)
- Vice-President/President-Elect (June 2021 – June 2023)

Association for Information Science and Technology (ASIS&T)

- Watson Davis Award, Jury member (February 2022 – June 2022)
- Research Engagement Committee, Chair/Vice-Chair (July 2020 – October 2022)
- New Leader Award, Jury member (June 2021 – September 2021)
- Doctoral Dissertation Proposal Scholarship, Jury member (March 2021 – May 2021)
- James M. Cretsos Leadership Award, Jury member (March 2020 – June 2020)
- Strategic Planning Taskforce, Member (October 2019 – August 2020)
- ProQuest Doctoral Dissertation Award (March 2019 – May 2019)
- 2018 Student Design Competition, Co-Chair (July 2018 – November 2018)
- Pratt Severn Award, Jury member (March 2018 – May 2018)
- Membership Committee, Co-Chair (November 2017 – November 2018)
- 2017 Student Design Competition, Co-Chair (July 2017 – November 2017)
- ASIS&T reviewer for the Beta-Phi-Mu's Eugene Garfield Doctoral Dissertation Fellowship (April – May 2017)
- International Relations Committee, Member (September 2016 – November 2017)

Special Interest Group Needs, Seeking, and Use (SIG USE), Association for Information Science and Technology (ASIS&T)

- Outstanding Contribution Award, Jury member (August 2023)
- Chair Elect, Chair, Immediate Past Chair (Elected October 2018; October 2018 – October 2020)
- Co-chair, 2015 SIG USE Symposium (November 2014 – November 2015)

Information Seeking In Context Conference (ISIC)

- Steering Committee, Member (September 2022 – Current)
- Programme Committee, Poster Co-Chair (April 2021 – September 2022)

Association for Library and Information Science Education (ALISE)

- Programme Committee, ALISE Works-in-Progress Posters Co-Chair (2021)
- Nominations Committee, Member (December 2017 – December 2018)

Journal of the Association for Information Science and Technology (JASIS&T)

- Article Editor/Editorial Board Member (January 2020 – Current)
- Lead Guest Editor, Special Issue on Information Behavior & Information Practices Theory (November 2020 – April 2022)
 - ♦ *Special Issue awarded SIG Publication of the Year at the 2022 Annual Meeting of the Association for Information Science and Technology*
- Guest Editor, Retrospective Special Issue on Information Behavior (January 2020 - January 2021)

Canadian Journal of Library and Information Science (CJILS)

- Editorial Board member (August 2022 – Current)

Journal Reviewing

- Journal of Documentation (2022 – Current)
- Journal of the Association for Information Science and Technology (JASIS&T) (2017 – Current)
- Canadian Journal of Information and Library Science (2018 – Current)
- Information Research (2018 – Current)
- Library & Information Science Research Special Issue (2022)
- Journal of Information Literacy (2022)
- Journal of Information Science (2021)
- Evidence Based Library and Information Practice (2014 – 2021)
- International Journal of Information, Diversity, & Inclusion (2020)
- Journal of Librarianship and Information Science (JoLIS) (2019 –2020)

Conference Reviewing

- Information Seeking In Context (ISIC) (2022 – Current)
 - Canadian Association for Information Science Conference (CAIS) (2021 – Current)
 - Association for Information Science and Technology (ASIS&T) (2015 – Current)
 - ACM SIGIR Conference on Human Information Interaction and Retrieval (CHIIR) (2021)
 - iConference 2019 (2019)
-

Professional Service Activities

Evidence Based Library and Information Practice

- Co-Chair, EBLIP10: Evidence Based Library and Information Practice Conference, University of Strathclyde, Glasgow, Scotland (December 2017 – June 2019)
- Associate Editor (Research Articles) (February 2015 – January 2018)
- Reviewer for articles and evidence summaries (April 2014 – January 2015)

Library and Information Research Group, Chartered Institute of Library and Information Professionals

- Committee Member, Continuous Professional Development (CPD) and Events Team (October 2016 – July 2018)

Institute for the Scholarship of Teaching and Learning, Mount Royal University

- Conference co-chair of the 2011 Centennial Symposium on Scholarship of Teaching and Learning (May 2011 - November 2011)

NEOS Library Consortium

- Communications Committee – Member (December 2008 – July 2009)
-

Institutional and University Service Activities

McGill University

- Member, Director Selection Committee, School of Information Studies (March 2023– May 2023)
- Member, Search Committee, School of Information Studies (June 2022 – October 2022)
- Member, Equity Community of Practice, Faculty of Arts (March 2021 – May 2022)
- Co-Chair, School of Information Studies Equity Committee (September 2019 – May 2022)
- Member, School of Information Studies Curriculum Committee (September 2019 – Current)
- Member, Working Group on PhD Program (December 2020 – May 2021)
- School of Information Studies Representative, Humanities & Social Sciences Library Advisory Committee (September 2019 – Current)
- Member, Search Committee School of Information Studies (September 2019 – March 2020)
- Faculty Advisor, McGill Association for Information Science & Technology Student Chapter (September 2019 – Current)

University of Strathclyde

- Postgraduate Research Coordinator – Support and Development (September 2018 – June 2019)
- Member of Faculty Board of Study, Faculty of Science (Appointed October 2017 – June 2018)
- Member of Athena SWAN Committee, Department of Computer and Information Sciences (Appointed February 2017 – June 2019)
- Equality and Diversity Representative, Department of Computer and Information Sciences (Appointed November 2016 – June 2019)

Charles Sturt University

- Research Advisory Committee, Subcommittee of the Academic Senate – Higher Degree by Research Student Representative (Appointed September 2013 – December 2015)
- Research Management Committee, School of Information Studies – Student Representative (Appointed July 2012 – December 2015)
- School Board, School of Information Studies – Postgraduate Student Representative (Appointed July 2012 – February 2014)
- Communications Committee, School of Information Studies – Student Representative (Appointed July 2012 – February 2014)

Mount Royal University

- General Faculties Council – Councillor (Elected member 2011– 2013)
- Learning Outcomes Standing Committee, subcommittee of the General Faculties Council– Library Councillor (Elected member 2010–2013)
- Appointments, Tenure and Promotions Committee, subcommittee of the General Faculties Council– Library Councillor (Elected member 2011–2013)
- Teaching, Learning and Technology Roundtable – Library Representative (Member 2009-2011)
- Scholarship Standing Sub-Committee, Library Faculty Council (Elected chair 2010/2011; elected member 2009/2010 and 2011/2012)
- Assessment Working Group, University Library (Member 2010)
- Open Access Working Group, University Library (Member 2009-2012)

MacEwan University

- Library Instruction Advisory Committee (Member 2008/2009)

Professional Memberships

Association for Information Science & Technology (Member 2014 – Current)

Association of Library and Information Science Education (Member 2013 – Current)

Canadian Association for Information Science (Member 2009 – Current)

Updated: March 5, 2024
